Tender Notice

Ref: GMV / Tender / 2026-27 / 02

Dated: 09.08.2026

A Tender are hereby invited from Indian Nationals for **Purchasing and Installation of Solar Panel on the roof top of buildings of Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur**. Bidders can download complete set of bidding documents from college website <https://www.gocharmahavidyalaya.ac.in> from **09.08.2026** onwards. Bidders need to submit the bids in the **sealed pack envelops** through registered post for the interested items by following guidelines mentioned in the tender documents.

Last Date/ Time for receipt of bids is: 30.08.2026 (03.00 PM Hrs)

(Office Time).

Late bids shall not be accepted.

For further details regarding Tender Notification & Specifications please visit website:

<https://gocharmahavidyalaya.ac.in/>

CRITICAL DATE SHEET

Published Date	09.08.2026 (15.00Hrs)
Bid Document Download Start Date	09.08.2026 (15.00Hrs)
Clarification Start Date	09.08.2026 (18.00Hrs)
Clarification End Date	14.08.2026 (12.00Hrs)
Bid Submission Start Date	15.08.2026 (12.00Hrs)
Bid Submission End Date	30.08.2026 (15.00Hrs)
Bid Opening Date (Technical)	01.09.2026(12.00Hrs)
Bid Opening Date (Price)	Will be announced after technical evaluation (After evaluation of technical bids, the price bid will be opened only for technically qualified bidders)

*Note: -*The sealed hard copy of the bids should be posted / couriered / deposit in person to the Office of Principal / Tender Inviting Authority, Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur- 247451 within bid submission due date and time as indicated in the tender document.*

Project Details

- **Project Name:** Purchasing and Installation of Solar Panel on the roof top of buildings of Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur.
- **Client:** Gochar Mahavidyalaya
- **Location:** Rampur Maniharan, Saharanpur, India-247451
- **Project Description:** The project involves **Purchasing and Installation of Solar Panel in hybrid mode on the roof top of buildings of Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur along with Power storage facilities consists of Lithium-Ion batteries and other accessories.**

Gochar Mahavidyalaya intends to install rooftop solar photovoltaic (PV) systems with advanced lithium-ion battery storage facilities to reduce dependence on conventional electricity, improve energy security, and promote renewable energy utilization within the institution.

The project shall comprise:

S.No.	System Description	Quantity
1	Hybrid Solar PV System – 10 kWp	1 Unit
2	Hybrid Solar PV System – 5 kWp	4 Units
3	Lithium-Ion Battery Storage System	As specified
4	Monitoring and Energy Management System	Complete
5	Associated Electrical Works	Complete
Total Solar Capacity:		30 kWp

Scope of Work

1. Supply of Solar Panel and Lithium-Ion Batteries as per specifications provided.
2. Transportation of Solar Panel and Lithium-Ion Batteries to the site along with accessories.
3. Coordination with the staff assigned by the principal for delivery scheduling.
4. Ensuring the quality and quantity of Solar Panel and Lithium-Ion Batteries as per the tender requirements.
5. Installation of the Solar Panel and Lithium-Ion Batteries finishing as per the instruction given in the tender document.

The successful bidder shall undertake:

A. Survey & Design

- Detailed site survey
- Roof structural assessment
- Shadow analysis

Signature

पञ्च

- System sizing
- Battery backup calculations
- Single line diagrams (SLD)
- Layout drawings

B. Supply

Supply of:

- Tata Solar PV Modules only
- Hybrid Solar Inverters
- Lithium-Ion Battery Bank
- Mounting Structures
- DC and AC Distribution Panels
- Earthing System
- Lightning Protection System
- Monitoring System
- Cables and Accessories

C. Installation

- Mechanical installation
- Electrical interconnection
- Battery integration
- Civil foundation works wherever required
- Testing and commissioning

D. Documentation

- User manuals
- Warranty certificates
- Test reports
- As-built drawings

E. Training

Training of designated college staff for operation and routine maintenance.

SYSTEM CONFIGURATION REQUIREMENT

Building 1

Hybrid Solar Plant

Capacity: 10 kWp

Battery Storage:

- Minimum 20 kWh usable storage
- Lithium Iron Phosphate (LiFePO4)

Backup Duration:

- Minimum 6–8 hours under normal academic load

Building 2

Hybrid Solar Plant

Capacity: 5 kWp

Battery Storage:

- Minimum 5 kWh usable storage
- LiFePO4 Battery

Backup Duration:

देवानंद

सांचव

Building 3**Hybrid Solar Plant**

Capacity: **5 kWp**

Battery Storage:

- Minimum 5 kWh usable storage
- LiFePO4 Battery

Backup Duration:

- Minimum 4–6 hours

Building 4**Hybrid Solar Plant**

Capacity: **5 kWp**

Battery Storage:

- Minimum 5 kWh usable storage
- LiFePO4 Battery

Backup Duration:

- Minimum 4–6 hours

Building 5**Hybrid Solar Plant**

Capacity: **5 kWp**

Battery Storage:

- Minimum 5 kWh usable storage
- LiFePO4 Battery

Backup Duration:

- Minimum 4–6 hours

TECHNICAL SPECIFICATIONS FOR SOLAR MODULES**Preferred Manufacturer**

Only modules manufactured by:

Tata Power Solar Systems Ltd.

or its latest approved equivalent manufacturing division.

Preference shall be given to Tata-manufactured high-efficiency modules.

Module Technology

Latest generation technology:

- TOPCon Technology
- N-Type Mono Crystalline
- Half-Cut Cell Design
- Multi Bus Bar (MBB)
- Bifacial Modules (Preferred)
- PID Resistant
- Anti-LID and Anti-LeTID

Minimum Module Rating

- 540 Wp to 600 Wp per module
- Efficiency $\geq 22\%$

रजनी

साचव

Chait

Compliance

Modules shall comply with:

- IEC 61215
- IEC 61730
- IEC 62804
- IEC 61701
- BIS Certification
- ALMM Approved

Performance Warranty

- 10 Years Product Warranty (minimum)
- 15 Years Performance Warranty

Performance guarantee:

- $\geq 99\%$ first year
- $\geq 87\%$ at year 10

SOLAR ARRAY DESIGN

10 kWp System

Approximate Module Requirement:

Using 550 Wp modules

18–20 modules

Total Capacity:

≥ 10 kWp

Each 5 kWp System

Approximate Module Requirement

9–10 modules

Total Capacity:

≥ 5 kWp

HYBRID INVERTER SPECIFICATIONS

The inverter shall be a true hybrid inverter capable of:

Functions

- Solar + Battery + off Grid Operation
- Automatic source switching
- Without Net metering
- Peak shaving
- Smart load management
- Battery charging from solar and grid(if applicable)

Technical Requirements

Parameter	Requirement
Type	Hybrid Inverter
Efficiency	$\geq 98\%$
MPPT Efficiency	$\geq 99\%$
Protection Class	IP65
Communication	Wi-Fi + Ethernet + RS485

20/11/21

साक्षर

20/11/21

Parameter	Requirement
Monitoring	Mobile App & Web Portal

Standards

- IEC 62109
- IEC 61727
- IEC 61683
- IEC 62116

BATTERY ENERGY STORAGE SYSTEM (BESS)

Technology

Only:

Lithium Iron Phosphate (LiFePO₄)

Battery chemistry only.

Lead-acid batteries shall not be accepted.

Battery Capacity

10 kWp Plant

Minimum:

10 kWh usable capacity

Recommended:

25kWh

Each 5 kWp Plant

Minimum:

5 kWh usable capacity

Recommended:

12–15 kWh

Battery Specifications

Parameter	Requirement
Battery Type	LiFePO ₄
Depth of Discharge	≥90%
Cycle Life	≥6000 Cycles
Round Trip Efficiency	≥95%
BMS	Integrated Smart BMS
Expandable	Yes
Remote Monitoring	Yes

Safety Features

- Over Voltage Protection
- Under Voltage Protection
- Short Circuit Protection
- Thermal Protection
- Fire Resistant Enclosure
- Battery Isolation Switch

MODULE MOUNTING STRUCTURE

Material:

- Hot Dip Galvanized Steel
- Aluminum Alloy (Preferred)

Requirements

Wind Resistance: Minimum 180 km/hr

Corrosion Resistance: Minimum 80-micron galvanization

Expected Life: 25 years

DC SIDE COMPONENTS

DC Cables

- TUV Certified
- UV Resistant
- Copper Conductors

Minimum:

- 4 sq.mm as per design.
- 6 sq.mm as per design.

Connectors

- MC4 Compatible
- IP67

DCDB

Including:

- SPD Type II
- Fuse Protection
- Isolator

AC SIDE COMPONENTS

AC Distribution Board

Including:

- MCCB
- MCB
- SPD
- Energy Meter
- Changeover Arrangement

AC Cables

Copper FRLS

ISI Marked

Suitable sizing as per load calculations.

EARTHING SYSTEM

Minimum:

For 10 kWp Plant

- 3 Dedicated Earth Pits

For Each 5 kWp Plant

हजारी

सचिव

अ. ६

Earth resistance:
Less than 1 Ohm

LIGHTNING PROTECTION SYSTEM

Complete lightning arrestor system shall be provided.

Requirements:

- ESE Type Lightning Arrestor
- Copper strip down conductor
- Independent earth pit

Complying with:

- IS/IEC 62305
-

MONITORING SYSTEM

Web and Mobile based Monitoring System.

Features:

- Real-time generation
 - Battery SOC
 - Battery health
 - Grid import/export
 - Historical reports
 - Fault notifications
 - Email alerts
 - Mobile app support
-

WARRANTY REQUIREMENTS

Solar Modules

- Minimum 10 years product warranty
 - 20 years performance warranty
-

Hybrid Inverter

Minimum:

10 years warranty

Lithium Battery

Minimum:

10 years warranty.

Structure

Minimum: 25 years

ELIGIBILITY CRITERIA

The bidder shall:

Experience

Have successfully completed:

- Minimum three solar projects of 10 kWp or above in educational/government institutions.

हस्ताक्षर
सचिव

हस्ताक्षर

Average annual turnover:
Minimum ₹50 Lakhs during last 3 financial years.

Certifications

- GST Registration
- PAN
- MSME (if applicable)
- ISO 9001
- ISO 14001
- ISO 45001

Technical Authorization

Bidder must submit:

- Authorized Channel Partner Certificate
- Tata Solar Authorization Letter

TESTING AND COMMISSIONING

The contractor shall perform:

- Insulation Resistance Test
- String Testing
- IV Curve Testing
- Earthing Test
- Inverter Testing
- Battery Performance Testing
- Functional Testing

before handover.

DOCUMENTS TO BE SUBMITTED

- Technical Proposal
- Detailed Design
- Data Sheets
- Product Catalogues
- Manufacturer Authorization
- Warranty Certificates
- Project Execution Schedule

PAYMENT TERMS

Stage	Payment
Supply of Materials	50%
Installation Completion	30%
Successful Commissioning	15%
End of Defect Liability Period	5%

DEFECT LIABILITY PERIOD

Minimum 60 Months from commissioning date. All defects arising during this period shall be rectified by the contractor at no additional cost.

सचिव

ANNUAL MAINTENANCE

The bidder shall provide:

Comprehensive O&M

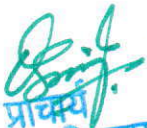

For 10 years including:

- Quarterly preventive maintenance
- Module cleaning guidance
- Battery diagnostics
- Inverter servicing
- Remote monitoring support

SPECIAL CONDITIONS

1. Only Tata Power Solar PV modules shall be considered for evaluation.
2. Latest N-Type TOP Con technology modules shall be supplied.
3. Hybrid operation with battery backup is mandatory.
4. Lithium Iron Phosphate (LiFePO4) batteries only.
5. All equipment must be new and unused.
6. Net metering compatibility must be ensured (if applicable).
7. Remote monitoring must be included.
8. System design shall maximize self-consumption and battery utilization.
9. The contractor shall obtain all approvals required for commissioning.
10. Complete project shall be executed on a turnkey basis.

Bidding Procedures

Instructions for Bid Submission for bidder

1. Bids are invited for Purchasing and Installation of Solar Panel on the roof top of buildings of Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur along with Power storage facilities consists of Lithium-Ion batteries and other accessories.
2. Bids shall be submitted through registered post or by hand in person with in due date and time in three separate sealed envelopes i.e. General Information with EMD, Technical Bid and financial Bid.
3. Bids must be submitted in the prescribed format otherwise bids will be rejected.
4. Bidder must have good past record for supplying and installation of the work for the genuine/ government agencies.
5. Bidder must take acknowledgement certificate who submitted the bids in person in the office of the principal.
6. Bidder must have worked experience of the minimum three years and shall not be blacklisted ever by any government agency.
7. Bidder must have GSTN registered firm with good compliance record of the GST as per the rules and regulations of government of state as well as the center. If the bidder fails to comply this instruction, their bids shall be rejected.
8. Bidder shall submit EMD amount of Rs Twenty-Five Thousand INR only to the bank account of the Gochar Mahavidyalaya given in the tender document through demand draft/ by cheque / online mode within the date and time given in the tender document.
9. Bids submitted after due date shall not be taken in to consideration in any circumstances.
10. Principal, Gochar Mahavidyalaya has the exclusive right to change the terms and conditions or cancellation of the tender at any point of time without prior information.
11. Technical bids have been evaluated by the committee formed by the Principal Gochar Mahavidyalaya; Rampur Maniharan, Saharanpur and only qualified bidder are eligible for the financial bid. All the qualified bidders for financial bids have been informed through email as well as on the contact details.
12. Technical bids evaluation committee and the principal have the exclusive right to reject any bidder at any point of time if he found to know that bidder provide any false information to the committee and any documents not submitted which was asked to produce *in front of the committee*.
13. General Information, Technical and Financial bids formats are given in to the Annexure.

FINANCIAL BID

- i. Financial Bids must be submitted in the sealed envelope separately within the due date and time mentioned in the tender document.
- ii. Financial bid shall be in prescribed format given in the Annexure-III of the tender document otherwise, the financial bid of the tenderer shall be rejected.
- iii. Financial bid has been taken in to consideration if the bidder qualified the technical bid.
- iv. The sealed envelope containing the financial bid has been clearly mentioned the name and address of the bidding agency on the envelop along with the clear mentioning that this envelop has financial bid.

EVIDENCE FOR BID SUBMISSION

1. After the bid submission, the acknowledgement certificate has been given to the bidders and kept as a record of evidence for submission of bid for the tender and be used as entry pass to participate in the bid opening.
2. All the data being submitted by the bidders would be kept safe to ensure the secrecy of the data. The data submitted is not retrievable by unauthorized persons during the bid submission and until the time of bid opening by any person.
3. Any bid document that is submitted to the institute is locked in the safe in the principal office the submitted sealed tender documents become readable only after the tender opening by the authorized bid openers.
4. For any queries regarding Tendering process, the bidders may contact at address as provided in the tender document. Parallely for any further queries, the bidders are advised to contact over phone: **9140909016** or send an E-mail to gmvrampur@gmail.com

NOTICE INVITING TENDER

01.	Name of work	Purchasing and Installation of Solar Panel on the roof top of buildings of Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur.
02.	Maximum Estimated Cost	Approx 24.90 Laes
03.	i) Earnest Money Deposit	Rs. 75000/-. (submission of EMD to the Tender Inviting Authority)
	ii) Performance Guarantee	Subject to finality at the time of issue of work order value if needed
04.	Completion Time	20 Days (From the date of commencement of the work which will be reckoned from the date of handing over of site to the Bidder)
05.	Cost of Tender Document	NIL
06.	Last Date and Time for submission of Tender	30.08.2026 (12.00 Hrs) (office time). Late bids shall not be accepted.
07.	a) Date and Time of Opening of Technical Bid	01.09.2026 (12.00 Hrs) (Venue: Conference Hall, Gochar Mahavidyalaya)
	b) Opening of Price bid	After evaluation of technical bids, the date, time and place of opening of the Price bid will be intimated to technically qualified bidders.
08.	Maintenance Period	120 (one hundred twenty Months from the date of actual completion of the entire work and handing Over to Gochar Mahavidyalaya) and 120 month For Lithium-Ion batteries
09.	Address for submission of Tender	The Principal, Gochar Mahavidyalaya, Rampur Maniharan, Saharanpur-247451 KIND ATTENTION TO: Office Superintendent
10.	Procedure for submission of Bid	As Per the Procedure given in the detailed tender document

Name of the Agency Submitting the tender

ANNEXURE-I

Details to be furnished by the Francise. **(Must be fill and attached)** (To be provided by the bidder in their business letter head)

Ref: GMV / Tender / 2026-27 / 02 Dated 09-08-2026

Date of submission:

Sl.No	Description / Requirement from the tenderer	Tenderer's response should be clear, firm, complete & legible. If necessary, separate sheet can be used.
1	Name & Complete address of the tenderer with contact details: Mobile No/ Email ID	
2	GST Registration No mentioned on the Agencies GST Registration certificate	
3	Status of the tenderer: Proprietorship / Partnership / Private Limited. / Public Limited	
4	Details of Contract Registration with Govt. depts. Class and value (If available)	
5	Details of PAN	
6	GST Registration No:	
6	Copy of declaration of the submission of the Income Tax Return for the last 3 years ending 2024	
7	Details of similar works executed with Govt. depts./reputed private Ltd, companies or educational institution/ universities during last 3 years.	
8	Skillsets of the workers performing the work	

Note: Relevant certificates for items 2-8 are to be submitted in Pre-qualification /Technical Cover.

1. I/We hereby certify that the information furnished above and the attached documents as proof of the information are true and correct to the best of our knowledge.
2. I/We also authorize the Principal Gochar Mahavidyalaya or his representative to approach the source of the certificate to verify our competence, if required, for processing the tender.

Tender Notification No.: **Ref: GMV / Tender / 2026-27 / 02; Dt. 09.08.2026**

INSTRUCTION TO TENDERERS

- 1) The tender value includes cost of Solar Panel, Lithium-ion Batteries and all other related material required for completion of the work.
- 2) Time is the essence of the contract. Being a time bound project, the supplier should make all efforts to complete the work in time.
- 3) Even though the overall completion period is indicated as **20 days** the work shall be completed progressively and handed over as per agreed split up schedule if any.
- 4) The tenderers are advised to visit the site and get themselves acquainted with the site conditions before submitting the offer.
- 5) Quoted rate shall remain valid for a period of **30 days** from the date of tender opening for the release of work order and will be firm throughout the contract period of **20 days** or till completion of work, once awarded and no cost escalation is allowed on any account.
- 6) The item rate offered is for finished item of works and shall provide for the complete cost towards fuel, tools, tackles, plant & machinery, temporary works, labor, materials, levies, taxes, transport, lay-out, repairs, rectifications, maintenance till handing over, supervision, services, revenue expenses, overheads, profits & all other incidentals etc., complete. Rate quoted shall inclusive of GST.
(The Tenderer should be a GST Registered Contractor. If the proof of GST registration is not furnished the tender of the tenderer will not be eligible for opening price bid and become disqualified).
- 7) Some changes are likely in the quantities furnished as well as in the supply, layout, design and specifications of the work. The rates quoted shall be deemed to be inclusive of all such contingencies
- 8) The work shall be carried out as per drawings released then and there, specifications, and standard code of practice and as per the instructions of evaluation committee. The brief description of items of work is given in the bill of quantities.
- 9) *For any item of work not covered in Bill of Quantities, the rate will be arrived based on the procedure decided by evaluation committee. The contractor is also bound by the rules and regulations as specified by the purchase cum evaluation committee appointed by the Principal, Gochar Mahavidyalaya.*
- 10) Since the responsibility for the quality, workmanship and accuracy of any work being carried out under this contract lies with the supplier, the supplier should ensure that no work is done without the presence of contractor's representative at the work spot, whose strength depends on the value of contract awarded. The supplier should arrange for surveying installation site at his own cost.

- 11) The decision of evaluation committee shall be final and binding on the bidder regarding clarification of items in this tender schedule.
 - 12) The works contract to be entered into with the successful tenderer will be governed by the rules and regulations made by evaluation committee.
 - 13) The contractor shall strictly adhere to various Labour laws in force by the government of India by time to time.
 - 14) To safeguard the persons working at height in roof, wall etc., enough Industrial Safety shall be provided at tenderer's cost in appropriate level and locations. The working hand including Supervisors, should wear the personal protective items and safety measures such as helmets, safety belts, shoes, etc., before entering to the working place.
 - 15) The tenderer must deploy adequate Labour of required categories such as Unskilled, Skilled, Plumber, Welder, Fitter, Technically experienced, etc. to execute the works simultaneously in all areas of work.
 - 16) Expertise workers only to be engaged for specialized items of work.
 - 17) The supplier shall follow norms of Gochar Mahavidyalaya security system for movement of men & materials within the complex.
 - 18) All the works shall be executed as per the standard specifications as provided in Bidding document.
 - 19) All gadgets supplied by the Contractor for incorporation in the work shall be got inspected and approved by the evaluation committee before they are incorporated in the work.
 - 20) The contractor should extend fullest co-operation with the third-party agencies engaged, if any by Gochar Mahavidyalaya, to adhere the Quality Control Procedures ensuring quality.
 - 21) The contractor should extend full co-operation to the other contractors who may be doing other works in the same areas to enable them to execute their portions of work without any delay or difficulty.
 - 22) Tenderers are requested to furnish the duly filled in format attached as separate sheet along with a cancelled Cheque leaf to accept electronic fund transfer / R T G S transfer for any payment from Gochar Mahavidyalaya.
 - 23) LD / Penalty clause is applicable as per bidding document in force.
 - 24) Gochar Mahavidyalaya reserves its right to reject a tender due to unsatisfactory past performance in the execution of a contract awarded against a different Tender.
 - 25) The supplier's responsibility under this contract shall commence from the date of receipt of the LOI by the tenderer. The scheduled period of completion for this work is as mentioned in page No. 01, and the supplier will have to plan his work accordingly.
 - 26) Generally, the maintenance period for any work under Gochar Mahavidyalaya will be Sixty (60) MONTHS from the date of completion.
- 
- 

- 27) Bidder should submit the EMD as specified in the tender. The evidence of EMD deposited hard copy should be posted / couriered / given in person in the general information envelope to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender.
- 28) Any deviation to this tender terms & condition and schedules of this tender will cause total rejection of the offer submitted Incomplete offers will become liable for rejection.
- 29) *The Proprietorship / Partnership / Private Limited. / Public Limited contractor should submit the declaration form that we have not block listed from any Govt. depts./reputed private Ltd, companies or educational institution/universities during last 3years.*
- 30) In the event of the disputes, differences, claims and questions arising between the parties hereto arising out of this agreement or anyway relating here to or any term, condition or provisions herein mentioned or the validity, interpretation, thereof or otherwise in relation here to, all such dispute claims or question shall be referred to Sole Arbitrator appointed by the Gochar Mahavidyalaya. Such arbitration shall be held in accordance with the provisions of arbitration and conciliation act- 1996 or re-enactment thereof for the time being in force and arbitration proceedings shall be held at Rampur Maniharan. All legal disputes shall be subject to the jurisdiction of court at Saharanpur.
- 31) **Earnest Money Deposit:**
- i. Earnest Money is to be paid by each tenderer to ensure that the tenderer does not refuse to execute the work after it is awarded to him. Shall also be furnished in the form of online payment in the favor of **Gochar Mahavidyalaya**. EMD in any other form will not be accepted. The rate of earnest money deposit shall be as under:
 - ii. Bid security cost shall be 3% of the total cost of the project which is decided by the technical evaluation committee for the large enterprises.
 - iii. As per rule 170 of General Financial Rules (GFRs) 2017, Micro and small Enterprises (MSEs) and the firms registered with concerned Ministries/Departments are exempted from submission of Bid Security. Further, in lieu of Bid Security, Ministries/Departments may ask bidders to sign "Bid security Declaration" accepting that if they withdraw or modify their bids during period of validity etc., they will be suspended for the time specified in the tender documents. Similar provisions also exist in the Manuals for Procurement of works 2019 and Manual for Procurement of Consultancy & other services 2017.
- 32) If the tenderer deliberately gives wrong information in his tender or creates conditions favorable for the acceptance of his tender, Gochar Mahavidyalaya reserves the right to reject such tender at any stage.
- 33) Canvassing in any form in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
- 34) This tender notice shall be deemed to form an integral part of the contract to be entered into for this work.
- 35) The tenderers are advised to go through the condition stipulated in Tender document & code of conduct for Safety of Contract Laborers in details. Any violation thereof will invite

punitive action being taken against them. While quoting the rate all the above factors are to be considered.

36) *Compensation for Delay:*

- i) If the contractor fails to maintain the required progress or to complete the work and clear the site on or before the contracted or extended period of completion, he shall, without prejudice to any other right or remedy of the Gochar Mahavidyalaya on account of such breach, pay as agreed compensation an amount calculated as stipulated below. This will also apply to items or group of items for which separate period of completion has been specified.
- ii) For this purpose, the term 'Contract Value' shall be the value at contract rates of the work as ordered and the compensation for delay is by way of recovery at 1 percent of contract value per week of delay provided always that the total amount of compensation for delay to be paid under this condition shall not exceed 10% of the contract value or of the contract value of the item or group of items of work for which a separate period of completion is given.
- iii) The amount of compensation may be adjusted or set-off against any sum payable to the Contractor under this or any other contract with the Gochar Mahavidyalaya.

37) *Arbitration:*

- i) Except where otherwise provided for in the contract all questions and disputes relating to the meaning of the specifications, designs, drawings and instructions hereinbefore mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the work or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the sole arbitration of the Principal of Gochar Mahavidyalaya and if Principal is unable or unwilling to act, to the sole arbitration of some other person appointed by the Principal, willing to act as such arbitrator. The cases referred to arbitration shall be other than those for which the decision of the Principal is expressed in the contract to be final and conclusive. There will be no objection if the arbitrator so appointed is an employee of Gochar Mahavidyalaya and that he had to deal with the matters to which the contract relates and that in the course of his duties as such he had expressed views on all or any of the matters in dispute or difference.
- ii) The arbitrator to whom the matter is originally referred being transferred or vacating his office or being unable to act for any reason, Principal as aforesaid at the time of such transfer, vacation of office or inability to act, shall appoint another person to act as arbitrator in accordance with the terms of the contract. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor. Subject as aforesaid the provision of the Arbitration & Reconciliation Act, 1996 or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause.

PAYMENT OF BILLS: -

All payments to be made to the Contractor, under this contract shall be by NEFT or RTGS or

by Cheque as per the decision of the purchase committee formed by principal, after the certification of bills by the execution department.

RECOVERY FROM CONTRACTOR: -

Whenever under the contract, any sum of money, shall be recoverable from or payable by the supplier, the same may be deducted from or any sum then due or which at any time thereafter may become due to supplier under the contract or under any other contract with Gochar Mahavidyalaya he shall pay the claim on demand.

SPECIAL POWER TO TERMINATION: -

If at any time after the award of contract, Gochar Mahavidyalaya shall for any reason whatsoever not require whole or any part of the work to be carried out the Evaluator in charge shall give notice in writing of the fact to the supplier/ contractor who shall have no claim to any payment of compensation or otherwise howsoever on account of any profit or advantage which he might have derived from the execution of the work in full but which he did not derive in consequence of the fore-closing of the work.

LABOUR: -

The supplier shall remain liable for the payment of all wages or other moneys to his work-people or employees under the payment of Wages Act 1936, Employees Liability Act. 1938, Workmen's Compensation Act 1923 or any other Act or enactment, relating thereto and rules framed, there under from time to time.
